VOLUME 21 • WINTER, 2005—FALL, 2005

Authors

Arnhold, RW (with Auxter, DA): **Legislative Update** (Medicare coverage determination—Providing wheelchairs through federal legislation), Winter, p 5;
Legislative Update (physical activity programs and the federal budget—The effect of Medicaid, Social Security, and IDEA), Spring, p 5;
Legislative Update (Federal regulations, the appropriation process, and ongoing legislation—IDEA, child nutrition, personnel preparation, and wheelchair funding), Summer, p 6;
Legislative Update (Costs of inadequate nutrition and physical activity on obesity, lifestyle, and disability), Fall, p 5

Beaver, DP: **Editor's Corner** (From the Editor to PALAESTRA readers), Winter, p 4;
Editor's Corner (The furor over Ms. Wheelchair America), Spring, p 4;
Editor's Corner (The continuing battle of the bulge), Summer, p 4;
Editor's Corner (Murderball—A top notch film), Fall, p 4

Carithers, D: **Calendar**, Winter, p 16

Clark, N: Sport Nutrition (How to eat well—A primer for helping you keep your New Year's resolutions), Winter, p 44;
Sport Nutrition (Fighting fat gain—Strategies that can make a difference), Spring, p 44;
Sport Nutrition (Taming the cookie monster), Summer, p 44;
Sport Nutrition (Caffeine and performance), Fall, p 46

Ellis, K: Calendar, Spring, p 16; Summer, p 16; Fall, p 16

Ellis, KM (with Lieberman, L, Fittipauldi-Wert, J, and Dummer, GM): Health-related fitness of deaf children—How do they measure up?, Summer, p 36

Evans, E: Bits & Pieces: Winter, p 46; Spring, p 46; Summer, p 46; Fall, p 47

Frederick, M (with Olenik, L): Moving well with multiple sclerosis—Assessment and prescribed activity using the PACE Model (Part 2), Fall, p 28

Goyakla, RR (with Hisey, P, and Blanchard, L): An adapted aquatics assessment inventory and curriculum, Spring, p 32

Hafest, B: A new sport, a new goal, a new way to blow your hair back!, Winter, p 30

Horwerth, A: Cranking the bent—Observations, mysteries, and exercise, Winter, p 20

Huber, JH (with Stein, JU, and MacKool, JL): Accessibility of foreign-flagged ships—Does the Americans with Disabilities Act stop at U.S. shores?, Summer, p 30

Huebner, C (with Bourgeois, B): **U.S. Paralympic Forum**, Winter, p 9; Spring, p 8; Summer, p 8; Fall, p 9

Hughes, P: New responsibilities for adapted physical educators—Watchdogs for abuse and advocates for empowerment, Spring, p 20

Jarvis-Ray, R: Focus on Training (Ron Williams—Amputee, cycling), Winter, p 14;
Focus on Training (Katie Mawby—Visually impaired, water skiing), Spring, p 14;
Focus on Training (U.S. women's wheelchair basketball team), Fall, p 44

Lewis, C (with Freeman, J, Fox, M, Bower, L, and Pena, F): Constraint-induced movement therapy as a home activity program—A case report. Spring, p 38

Mandigo, JL (with Natho, K): Examining summer campers' quality of experiences, Spring, p 26

Marson, M (with Binkley, H): Spina bifida and latex allergies—A review and recommendations for teachers, Winter, p 34

Olenik, L: Moving well with multiple sclerosis—PACE model (Part 1), Summer, p 26

Patterson, L: True spirit of athletic competition captured at 2005 CP-ISRA World Championships, Fall, p 20

Reid, G: Research Application (A quantitative analysis of motor delays by adolescents with mild mental retardation), Winter, p 7;
Research Application (Understanding physical activity in youth with autism spectrum disorder), Fall, p 6

Ronspies, SC (with Messerole, MJ): Spicing up motor skills performances—For all!, Winter, p 26

Schack, F: National Scene (DS/USA, NDSA, SOI, USABA, WSUSA), Winter, p 10;
National Scene (DS/USA, SOI, WSUSA), Spring, p 9;
National Scene (DAAA, DS/USA, NDSA, SOI, USABA, WSUSA), Summer, p 10;
National Scene (DS/USA, SOI, USABA, WSUSA), Fall, p 11

Scott, S (with Kozub, M, and Goto, K): Tae kwon do for children with autism spectrum disorders, Winter, p 40

Sherrill, C: Issues (Will the Individuals with Disabilities Education Act 2004 affect us?), Winter, p 54;
Issues (Animals as supports and interventions; For whom? Why? How?), Spring, p 56;
Issues (Is terminology of the World Health Organization important?), Summer, p 54;
Issues (Hurricanes, tsunamis, urban catastrophes, and ethics), Fall, p 55

Stein, JU: Publication Reviews, Winter, p 50; Spring, p 49; Summer, p 50; Fall, p 50

Tripp, A: APAC Action (Program set for Chicago!), Winter, p 8;
APAC Action (Congratulations!), Spring, p 7;
APAC Action (APAC growing stronger and larger), Summer, p 7;
APAC Action (Merger—A great opportunity for APAC), Fall, p 8

Weber, RC: Cornelia de Lange Syndrome/Maple Syrup Urine Disease/Rubinstein-Taybi Syndrome—Etiologies and indicators (Part 1), Fall, p 36

Weber, RC (with Cammack, B): Fishing—A lifetime leisure activity having no boundaries, Summer, p 20

Winnick, JP (with Short, FX): **Letter to the Editor** (Citation concerns), Fall, p 8

Subjects

Abuse
New responsibilities for adapted physical educators—Watchdogs for abuse and advocates for empowerment, Spring, p 20

Accessibility
Accessibility of foreign-flagged cruise ships—Does the Americans with Disabilities Act stop at U.S. shores?, Summer, p 30

Activity (Prescribed)
Moving well with multiple sclerosis—Assessment and prescribed activity using the PACE model (Part 2), Fall, p 28

Adapted Aquatics (see **Aquatics**)

Adapted Physical Educators
New responsibilities for adapted physical educators—Watchdogs for abuse and advocates for empowerment, Spring, p 20

Adolescents
A qualitative analysis of motor development delays by adolescents with mild mental retardation (**Research Application**), Winter, p 7

Advocates/Advocacy
New responsibilities for adapted physical educators—Watchdogs for abuse and advocates for empowerment, Spring, p 20

Allergies
Spina bifida and Latex allergies—A review and recommendations for teachers, Winter, p 34

Americans with Disabilities Act
Accessibility of foreign-flagged cruise ships—Does the Americans with Disabilities Act stop at U.S. shores?, Summer, p 30

Amputees
Ron Williams—amputee, cycling (**Focus on Training**), Winter, p 14;
National Scene (DS/USA), Winter, p 10; Spring, p 9; Summer, p 10; Fall, p 11;
Murderball—A top notch film (**Editor's Corner**), Fall, p 4

Animals
Animals as supports and interventions—For whom? Why? How? (**Issues**), Spring, p 56

APAC Action
Winter, p 8; Spring, p 7; Summer, p 7; Fall, p 8

Appropriations
Federal regulations, the appropriation process, and on-goings legislation—IDEA, child nutrition, personnel preparation, and wheelchair funding (**Legislative Update**), Summer, p 6

Assessment
An adapted aquatics assessment intervention and curriculum, Spring, p 32;
Moving well with multiple sclerosis—Assessment and prescribed activity using the PACE model (Part 2), Fall, p 28

Aquatics
An adapted aquatics assessment intervention and curriculum, Spring, p 32

Athletes
Uniting students and athletes from across the country (**U.S. Paralymic Forum**), Fall, p 9

Athletic Competition
True spirit of athletic competition captured at CP-ISRA World Championships, Fall, p 20

Autism Spectrum Disorder
Tae kwon do for children with autism spectrum disorder, Winter, p 40;
Understanding physical activity in youths with autism spectrum syndrome (**Research Application**), Fall, p 6

Bent
Cranking the bent—Observations, mysteries, and exercise, Winter, p 20

Bits & Pieces
Winter, p 46 (Thomas Clagett Jr. Memorial Regatta; Ice sledge hockey world championships: Young riders' equestrian championships; IPC anti-doping code enforced at Paralympic Games; New president and CEO of RFB&D; Accessible tree house; Promising young athletes rise to win titles; Ice fishing without boundaries);
Spring p 46 (Special Olympics Sports &

INDEX

Empowerment Act; Triathlete Sarah Reinersten—Inspiration; Casting for recovery; Keeping your pearly whites; In memoriam; Paralymic World Cup; Wheelchair curling; New clinical research hospital; The Wounded Warrior Project; Research projects underway);
Summer, p 46 (Deaf composer an inspiration; NRA disabled shooting services; Disabled athlete award; Five individuals honored for greatness; Grant helps seniors & kids grow together; Free wheelchair mission; IPC president bestowed with knighthood; 5th annual spinal bowling tournament, Easter Seals Arthritic Pain Center; Athletes with disabilities become healthy adults; Thomas Clagett, Jr. Memorial Clinic and Regatta);
Fall, p 47 (Never too old to stay busy; Fundraiser for tsunami relief efforts; Walk for mitochondrial disease; Taking a cruise should get easier; Flower planting project; Giant stunt raises funds; Knoxville's first accessible playground; New England Wheelchair Sports Hall of Fame inductee; The amazing Hoyts; 5th Annual Major league Wheelchair Championship)

Blind (see **Visually Impaired**)

Bobsledding
A new sport, a new goal, a new way to blow your hair back!, Winter, p 30

Caffeine
Caffeine and performance (**Sport Nutrition**), Fall, p 46

Camps
Examining summer camper's quality of experiences, Spring, p 26

Catastrophes
Hurricanes, tsunamis, urban catastrophes, and ethics (**Issues**), Fall, p 55

Cerebral Palsy
National Scene (NDSA), Winter, p 10; Summer, p 12;
True spirit of athletic competition captured at CP-ISRA World Championships, Fall, p 20 .

Cornelia de Lange Syndrome
Cornelia de Lange Syndrome/Maple Syrup Urine Disease/Rubenstein-Taybi Syndrome—Etiologies indicators (Part 1), Fall, p 36

CP-ISRA
True spirit of athletic competition captured at CP-ISRA World Championships, Fall, p 20

Cruise Ships
Accessibility of foreign-flagged cruise ships—Does the Americans with Disabilities Act stop at U.S. shores?, Summer, p 30

Curriculum
An adapted aquatics assessment intervention and curriculum, Spring, p 32

Cycling
Ron Williams—Amputee, cycling (**Focus on Training**), Winter, p 14;
Cranking the bent—Observations, mysteries, and exercise, Winter, p 20

DAAA
National Scene, Summer, p 10

Deaf
Health-related fitness of deaf children—How do they measure up?, Summer, p 36

DS/USA
National Scene, Winter, p 10; Spring, p 9; Summer, p 10; Fall, p 11

Empowerment
New responsibilities for adapted physical educators—Watchdogs for abuse and advocates for empowerment, Spring, p 20

Ethics
Hurricanes, tsunamis, urban catastrophes, and ethics (**Issues**), Fall, p 55

Fat
The continuing battle of the bulge (**Editor's Corner**), Summer, p 4;
Fighting fat gain—Strategies that can make a difference (**Sport Nutrition**), Spring, p 44

Federal Budget
Physical activity programs and the federal budget—The affect on Medicaid, Social Security, and IDEA (**Legislative Update**), Spring, p 5

Federal Legislation
Medicare coverage determination—Providing wheelchairs through federal legislation (**Legislative Update**), Winter, p 5

Film
Murderball—A top notch film (**Editor's Corner**), Fall, p 4

Fishing
Fishing—A lifetime activity having no boundaries, Summer, p 20

Fitness
Health-related fitness of deaf children—How do they measure up?, Summer, p 36

Focus on Training
Ron Williams—Amputee, cycling, Winter, p 14; Katie Mawby—Visually impaired, Spring, p 14; U.S. women's wheelchair basketball team, Fall, p 44

Health-Related Fitness (see **Fitness**)

Home Activity
Constraint-induced movement therapy as a home activity—A case report, Spring, p 38

Hurricanes
Hurricanes, tsunamis, urban catastrophes, and ethics, (**Issues**), Fall, p 55

Individuals with Disabilities Education Act (IDEA)
Will the Individuals with Disabilities Education Act 2004 affect us? (**Issues**), Winter, p 54;
Physical activity programs and the federal budget—The effect on Medicaid, Social Security, and IDEA (**Legislative Update**), Spring, p 5;
Federal regulations, the appropriation process, and on-going legislation—IDEA, child nutrition, personnel preparation, and wheelchair funding (**Legislative Update**), Summer, p 6

Interventions
Animals as supports and interventions: For whom? Why? How? (**Issues**), Spring, p 56

Issues
Will the Individuals with Disabilities Education Act 2004 affect us?, Winter, p 54;
The furor over Ms. Wheelchair America (**Editor's Corner**), Spring, p 4;
Physical activity programs and the federal budget—The effect on Medicaid, Social Security, and IDEA (**Legislative Update**), Spring, p 5;
Animals as supports and interventions; For whom? Why? How?, Spring, p 56;
Is terminology of the World Health Organization important?, Summer, p 54;
Hurricanes, tsunamis, urban catastrophes, and ethics, Fall, p 55

Latex
Spina bifida and Latex allergies—A review and recommendations for teachers, Winter, p 34

Legislative Update
Medicare coverage determination—Providing wheelchairs through federal legislation, Winter, p 5;
Physical activity programs and the federal budget—The effect on Medicaid, Social Security, and IDEA, Spring, p 5;
Federal regulations, the appropriation process, and on-going legislation—IDEA, child nutrition, personnel preparation, and wheelchair funding, Summer, p 6;
Costs of inadequate nutrition and physical activity on obesity, lifestyle, and disability, Fall, p 5

Lifestyle
Costs of inadequate nutrition and physical activity on obesity, lifestyle, and disability (**Legislative Update**), Fall, p 5;
The continuing battle of the bulge (**Editor's Corner**), Summer, p 4

Maple Syrup Urine Syndrome
Cornelia de Lange Syndrome/Maple Syrup Urine Disease/Rubenstein-Taybi Syndrome—Etiologies and indicators (Part 1), Fall, p 36

Martial Arts
Tae kwon do for children with autism spectrum disorder, Winter, p 40

Medicaid
Physical activity programs and the federal budget—The effect on Medicaid, Social Security, and IDEA (**Legislative Update**), Spring, p 5

Medicare
Medicare coverage determination—Providing wheelchairs through federal legislation (**Legislative Update**), Winter, p 5

Mental Retardation
A qualitative analysis of motor development delays by adolescents with mild mental retardation (**Research Application**), Winter, p 7;
National Scene (SOI), Winter, p 11; Spring, p 10; Summer, p 13; Fall, p 12

Motor Development
A qualitative analysis of motor development delays by adolescents with mild mental retardation (**Research Application**), Winter, p 7

Motor Skill
Spicing up motor skill performances—For all!, Winter, p 26

Movement Therapy
Constraint-induced movement therapy as a home activity—A case report, Spring, p 38

Ms. Wheelchair America
The furor over Ms. Wheelchair America (**Editor's Corner**), Spring, p 4

Multiple Sclerosis
Moving well with multiple sclerosis—PACE model (Part 1), Summer, p 26;
Moving well with multiple sclerosis—Assessment and prescribed activity using the PACE model (Part 2), Fall, p 28

Murderball
Murderball—A top notch film (**Editor's Corner**), Fall, p 4

National Ability Center
A new sport, a new goal, a new way to blow your hair back!, Winter, p 30

National Scene
Winter (DS/USA, NDSA, SOI, USABA, WSUSA), p 10; Spring (DS/USA, SOI, WSUSA), p 9; Summer (DAAA, DS/USA, NDSA, SOI, USABA, WSUSA), p 10; Fall

(DS/USA, SOI, USABA, WSUSA), p 11
NDSA
National Scene, Winter, p 10; Summer, p 12
Nutrition
How to eat well—A primer for helping you keep your New Year's resolutions (**Sport Nutrition**), Winter, p 44;
The continuing battle of the bulge! (**Editor's Corner**), Summer, p 4;
Federal regulations, the appropriation process, and on-going legislation—IDEA, child nutrition, personnel preparation, and wheelchair funding (**Legislative Update**), Summer, p 6;
Taming the cookie monster (**Sport Nutrition**), Summer, p 44; Costs of inadequate nutrition and physical activity on obesity, lifestyle, and disability (**Legislative Update**), Fall, p 5;
Caffeine and performance (**Sport Nutrition**), Fall, p 46
Obesity
Costs of inadequate nutrition and physical activity on obesity, lifestyle, and disability (**Legislative Update**), Fall, p 5;
The continuing battle of the bulge (**Editor's Corner**), Summer, p 4
PACE Model
Moving well with multiple sclerosis—PACE model (Part 1), Summer, p 26;
Moving well with multiple sclerosis—Assessment and prescribed activity using the PACE model (Part 2), Fall, p 28
Paralymics
U.S. Paralymic Forum, Winter, p 9;
Paralympic Academy inspiring one athlete at a time; Spring, p 8;
Serving the USA—Through war and sport, Summer, p 8;
Uniting students and athletes from across the country, Fall, p 9
Paraplegics
Murderball—A top notch film (**Editor's Corner**), Fall, p 4
PE Central Challenge
Spicing up motor skill performances—For all!, Winter, p 26
Personnel Preparation
Federal regulations, the appropriation process, and on-going legislation—IDEA, child nutrition, personnel preparation, and wheelchair funding (**Legislative Update**), Summer, p 6
Pet-Facilitated Therapy
Animals as supports and interventions: For whom? Why? How? (**Issues**), Spring, p 56
Physical Activity
Physical activity programs and the federal budget—The effect on Medicaid, Social Security, and IDEA (**Legislative Update**), Spring, p 5;
Costs of inadequate nutrition and physical activity on obesity, lifestyle, and disability (**Legislative Update**), Fall, p 5;
Understanding physical activity in youths with autism spectrum syndrome (**Research Application**), Fall, p 6
Publication Reviews
Spring, p 49 (Exercise for frail elders; Toys from trash; Inexpensive options for physical education [video]; Teaching games for understanding—Theory, research, and practice; Inclusive physical activity—A lifetime of opportunities; Leisure and aging in later life [3rd ed.]; FallProof—A comprehensive balance and mobility training program— Inclusive & special recreation; Opportunities for persons with disabilities [5th ed.]; Understanding the Americans with Disabilities Act [ADA] [2004]; Medicine, mind and meaning—A psychiatrist's guide to training body, mind, and spirit);
Winter, p 50 (A guide to disabilities—Overcoming problems of locomotion [video]; Therapeutic recreation—Processes and techniques [5th ed.]; 101 fun warm-up and cool-down games; Games for maximum participation & Let's get fit!; Games for fun and fitness; Qualitative analysis of human movement [2nd ed.]; Leisure and aging: Ulyssean living in later years [3rd ed.]; physical education, heart zone training, heart rate monitors, fitness [high school healthy heart rates in the zone—A heart rate monitoring program for lifelong fitness]);
Summer, p 51 (Including youth with disabilities in outdoor programs: Best practices in outdoor programs;
Introduction to recreation services for people with disabilities—A person-centered approach [2nd ed.]; Clinical exercise physiology; Barrier-free travel; A nuts and bolts guide for wheelchair and slow walkers [2nd. ed.]; Life on Cripple Creek; Helping children who are deaf; Family and community support for children who do not hear well [Early assistance for children with disabilities]; Assistive devices, adaptive strategies, and recreational activities for students with disabilities; Adapted physical education and sport (4th ed.]);
Fall, p 50 (The Agilli Wellness Routine Book 1; Therapeutic recreation in the community—An inclusive approach [2nd ed.]; Disability sport [2nd ed.]; Mayor of the West Side [video]; We are PHAMALY [video]; Principles of fitness therapy; Life after SCI; Spinal cord injury [volume two]—Transferring & adapting [video]; Professional issues in therapeutic recreation: On competence and outcomes; The complete directory for people with disabilities (13th ed.]; plus 17 bibliographic listings)
Quad Rugby
Murderball—A top notch film (**Editor's Corner**), Fall, p 4
Qualitative Analysis
A qualitative analysis of motor development delays by adolescents with mild mental retardation (**Research Application**), Winter, p 7
Research Application
A qualitative analysis of motor development delays by adolescents with mild mental retardation, Winter, p 7;
Understanding physical activity in youths with autism spectrum syndrome, Fall, p 6
Rubenstein-Taybi Syndrome
Cornelia de Lange Syndrome/Maple Syrup Urine Disease/Rubenstein-Taybi Syndrome—Etiologies and indicators (Part 1), Fall, p 36
Service Animals (see **Animals**)
Social Security
Physical activity programs and the federal budget—The effect on Medicaid, Social Security, and IDEA (**Legislative Update**), Spring, p 5
Special Olympics
National Scene, Winter, p 11; Spring, p 10; Summer, p 13; Fall, p 12
Spina Bifida
Spina bifida and Latex allergies—A review and recommendations for teachers, Winter, p 34
Sport Nutrition
How to eat well—A primer for helping you keep your New Year's resolutions, Winter, p 44;
Fighting fat again—Strategies that can make a difference, Spring, p 44;
Taming the cookie monster, Summer, p 44;
Caffeine and performance, Fall, p 46
Students
Uniting students and athletes from across the country (**U.S. Paralymic Forum**), Fall, p 9
Tae Kwon Do
Tae kwon do for children with autism spectrum disorder, Winter, p 40
Teachers
Spina bifida and Latex allergies—A review and recommendations for teachers, Winter, p 34
Terminology
Is terminology of the World Health Organization important? (**Issues**), Summer, p 54
Therapy
Constraint-induced movement therapy as a home activity—A case report, Spring, p 38;
Animals as supports and interventions: For whom? Why? How? (**Issues**), Spring, p 56
Tsunamis
Hurricanes, tsunamis, urban catastrophes, and ethics (**Issues**), Fall, p 55
USABA
National Scene, Winter, p 12; Summer, p 15; Fall, p 13
Visually Impaired
National Scene (USABA), Winter, p 12; Summer, p 15; Fall, p 13;
Katie Mawby—Visually impaired (**Focus on Training**), Spring, p 14
Water Skiing
Katie Mawby—Visually impaired (**Focus on Training**), Spring, p 14
Wheelchair Basketball
U.S. women's wheelchair basketball team (**Focus on Training**), Fall, p 44
Wheelchairs/Wheelchair Sports
Medicare coverage determination—Providing wheelchairs through federal legislation (**Legislative Update**), Winter, p 5;
National Scene (WSUSA), Winter, p 13; Spring, 13: Summer, p 57; Fall, p 14;
Federal regulations, the appropriation process, and on-going legislation—IDEA, child nutrition, personnel preparation, and wheelchair funding (**Legislative Update**), Summer, p 6;
U.S. women's wheelchair basketball team (**Focus on Training**), Fall, p 44
Winter Games
A new sport, a new goal, a new way to blow your hair back!, Winter, p 30
World Health Organization
Is terminology of the World Health Organization important? (**Issues**) Summer, p 54
WSUSA
National Scene, Winter, p 13; Spring, p 13; Summer, p 57; Fall, p 14
